

Griswold Controls' Irrigation Piping Packages offer a wide selection of components a contractor or landscape professional needs along with a high quality diaphragm valve all in one compact package. The components are placed in their exact required configuration along with the Griswold Controls valve, then tagged, boxed, and foam-packed for added protection during shipment. The Irrigation Piping Package arrives pre-assembled and ready to install.

LIST PRICE

To order: Add the list price from the table below to list price of any standard valve. List price includes assembly.

Component	Size	Part Number for Unassembled Valve	List Price (for 2000 Series Valves)	List Price (for DWS Valves)
Ball valve (.BV)	1/2"	7342-04	11	19
	3/4"	7243-04	14	23
	1"	7244-04	19	33
	1 1/4"	7245-04	25	43
	1 1/2"	7340-04	37	63
	2"	7813-04	55	94
	2 1/2"	7814	173	294
Union ball valve (includes plug in boss) (.IB)	1/2"	IB00PNEH	23	40
	3/4"	IB00PNFI	24	41
	1"	IB10PNGJ	44	75
	1 1/4"	IB20PNPS	68	116
	1 1/2"	IB20PNQT	97	166
	2"	IB30PNRU	131	222
Union (includes plug in boss) (.IU)	1/2"	IU00NEH	15	26
	3/4"	IU00NFI	15	26
	1"	IU10NGJ	25	42
	1 1/4"	IU20NPS	43	73
	1 1/2"	IU20NQT	60	102
	2"	IU30NRU	58	99
	2 1/2"	IU40NAC	121	205
	3"	IU40NBD	173	294
Combination ball valve and 100 mesh strainer includes drain valve and plug in boss) (.IS)	1/2"	9671-129	38	65
	3/4"	9671-130	61	104
	1"	9671-131	129	220
	1 1/4"	9671-132	132	224
	1 1/2"	9671-133	190	323
	2"	9671-134	262	445
	2 1/2"	9671-135	290	493
	3"	9671-136	265	450
200 mesh (.IS)	1"	9671-190	134	225

MODEL NUMBER SELECTION

To order in a package add the "component code" from the table below to the end of any standard model number.

Component	Code
Ball valve	.BV
Union ball valve	.IB
Union	.IU
Combination ball valve and strainer (100 mesh)	.IS1
Combination ball valve and strainer (200 mesh, 1" only)	.IS2

Example: 2000H.IB is a 2000 series valve with a union ball valve on the inlet.
